Our History...

Chris' Rescue Angels (CRA) was formed in December 2006 by a group of experienced and devoted members of the rescue community. Combining our knowledge, skills, talents and friendships, we formed a volunteer organization uniquely dedicated to helping small breed dogs in need. Specifically, we exist to save 'throwaways', strays, owner turn-ins/surrenders, puppy mill survivors, and shelter dogs close to euthanasia.

Our growing organization is named in memory of a young man, Chris, whose life was tragically cut short in May 2002 due to a drunk driver. Chris and his mom, Robin (founder of Chris' Rescue Angels), were involved in dog rescue prior to Chris' death, and provided the inspiration for this special organization. The angel in CRA's banner is Chris at 3 years of age accompanied by his beloved dog, Rusty, a 14 year old Chihuahua, rescued by Chris' family from the Humane Society. In September 2006, Rusty peacefully passed on.

Our Mission...

- To help small dogs in need of assistance, whether they are strays, turn-ins, owner surrenders, abandoned, abused or neglected
- To place dogs in a foster home where their medical needs will be met, including spay or neuter
- To socialize, rehabilitate, and adopt the dogs to appropriate, forever homes
- To educate the public regarding the responsibilities of pet ownership, the importance of spay/neuter, proper nutrition, necessary vet care, and teaching young people safe behavior around dogs
